

Linnea Martin, Head of HI EDUCATION

Except from my big love to meet new people, I also love to go fishing and to be with my friends. As you can see I'm the Head of HI EDUCATION. My task is to be the middle hand between you students and the teachers. To make sure that all of your expectation about our school, the lectures quality and the communication with your teacher is as optimal as possible. So if any of you guys have any question about anything that is about the education or if you just want to talk about the weather, don't hesitate to mail me on utb.hitech@jth.hj.se or bring your pretty ass to the office.

XO Linnea
