

THE ENGINEER'S GUIDE TO JÖNKÖPING

2022

WELCOME

New Students!

My name is Matilda Nilsson and I am the president of HI TECH, the student association of JTH. When you pay your student union membership fee, part of it goes directly to HI TECH. This gives you the right to vote during the biannual meeting, as well as access to all of our events including the nightclub Akademien. It also gives HI TECH the possibility to arrange events and continue to develop and improve the student life. I highly recommend you to get involved during your studies. This way you get an even greater opportunity to influence the student life. This is also a great way to meet new people, gain experience for your resume as well as collecting abroad points (and I assure you it will be a lot of fun!). You will recognize involved people by their profile clothing (black&yellow), grab any of us if you want to know more.

For now- enjoy your epic kick-off, swing by the HI SHOP for patches and everything else you might need for your overall. Participate as much as you can, make new friends and memories. Me and my board will meet you in school at HI TECH Monday, which occur the first Monday every month. This is another opportunity to catch up, ask questions and get some fika for free.

FADDERS

A shoulder to lean on in a new city!

When you're a new student, it can be overwhelming to keep track of everything you need to know. Where is Akademin located? How can I purchase patches? Where can I get the best pizza? The Fadder's exist to help you with all of these questions and more! They know everything worth knowing and volunteer their time so that you can have the best start of your studies.

The best way to describe a Fadder is a mix between a friend, a guide and a leader. If you have any questions, they are your people. If you get lost, they can find you. If you want to have some fun, they're there for you. They will support you while you're settling into JU life and help you have a great time. The Kick Off can be intense, but the Fadder's are there to ensure you can handle it and make the most of your experience. The Fadder's will always be there for you during the Kick Off, no matter what so don't forget that!

HI TECH

YOUR STUDENT ASSOCIATION

The HI TECH student association works all year in the interests of its members at JTH. Involvement happens in all areas from education over inclusion to social life. For this matter the association is divided up into committees and work groups overseen by and represented in the board of HI TECH, to deal with all aspects of the HI TECH agenda including countless projects and events throughout the year. All of the committee and board members work voluntarily during their elected mandate. The HI TECH President works full-time and gets paid for their job.

JTH DICTIONARY

JTH: School of Engineering at JU. Known to be the best students at JU. We wear yellow overalls.

Caps: A drinking game including bottle caps.

Akademien: The number one party place, open all Wednesday nights during school. Free soda, good music and cheap drinks!

Sittning: An event hosted by a Sexmastery with spex, dance and food. Known to be a good party starter.

Dônk: A secret brewage made by HI LIFE.

Dônkbrännaren: A famous statue of the Dônk brewing machine. It is found outside of JTH.

HLK: School of Education and Communication. Teachers wear red overalls and communicators wear blue overalls.

Hälso: School of Health and Welfare at JU. They wear white overalls.

JIBS: Jönköping International Business school at JU. They wear green overalls.

HI LIFE

HI LIFE is HI TECH's 'festmästeri', also known as the 'sexmästeri'. It is HI LIFE's job to bring the students at JTH together, ensuring they have as much fun as possible outside of their studies. They plan and arrange the autumn and spring kick-off events, and also organise other events during the year, like sittningar and CAPS. HI LIFE is also involved in our student club, Akademien.
